

FOUR WAYS TO GIVE

First, prayerfully determine a financial commitment to the building project.

Second, consider what amount you will be able to give as an initial cash gift “up front”.

Third, in addition to monetary gifts, you may have other assets (such as stocks/bonds) you would like to donate.

Fourth, you may make KBA a beneficiary in your will. Your tax advisor can help you with this process.

Fifth, Set a church-wide goal for this special launch date offering to kick off our campaign.
